

SMART WiFi HOME SECURITY KIT

Wireless and easy to install home security.

A 'Starter' package for any house, apartment, office or caravan. It connects easily with your existing WiFi network allowing you to monitor your home from anywhere.

- Expandable to manage up to 24 sensors/detectors and 8 remote controls
- Wireless, easy to install and portable which is ideal for renters
- Sensors and remotes communicate via radio frequency (433MHz)
- 3 Alarm Modes
 - Arm: Alarm with sound & light flash
 - Home: Alarm with light flash
 - Disarm: Only SOS alarm available
- Tamper-resistant
- SOS/Panic alert to either sound siren or make an emergency call
- Maintains a local monitor and alert when your WiFi is down
- PIR Sensor can detect movement up to 8 metres on a 100 degree scan angle
- Compatible with BrilliantSmart devices via automation & IFTTT
- Kit includes 1x Smart Siren & WiFi Gateway with power adaptor, 1x Magnetic Door/Window sensor, 1x PIR Sensor, 1x Doorbell, 1x Remote

APPLICATIONS

- Monitor access points of your property to deter intruders.
- Create in app automation, so lights come on based on certain behaviour, ie: when movement is detected via a sensor, the lights turn on automatically
